

Landing mats 'Basic' vault

1565807

The landing mats 'Basic' with a reinforced and washable Bisonyl cover and high-tech foam core, ensure optimal damping characteristics over the entire surface of the mats. The combination with patented Handy Grips makes them very easy to handle. The mats can be linked in all directions thanks to Velcro loop on top of the mat at all 4 sides.

The microtunnels in the foam in combination with the Handy Grips make it possible to have an optimum air outlet regulation. The mat is fully side-stabilized which fully meets the FIG landing mat regulations.

Technical data:

FIG certified.

- The sandwich microtunnel foam construction, together with a 4 cm stabilization layer on top and at the edges, ensures optimal landing conditions
- Surface of washable Bisonyl with leather embossing (leather look finishing)
- Flame retardant Bisonyl (M2)
- The handy-grips provide necessary air circulation thus ensuring optimal damping during landings.
- Sewed-on Velcro strips at all sides: mats can be linked in all directions.

Total length when placed: 600 cm
Maximum width when placed: 250 cm
Total surface: 15 m²
Height: 20 cm
Reference number: 1565807

Packaging dimensions:

Total volume: 1.10
Total weight: 113 kg
Consisting of:
3 mats of 250x200x20 cm
Ergojet feet padding:
975x1132x172 mm
15 cm wide Velcro:
2x 250 cm, 2x 35 cm, 1x 96 cm

Mandatory for competition

Soft landing mat 'Happy Landing' 600x200x10 cm with marking for vault landing zone 1540500
