

Landing mats 'Basic' balance beam

1565847

The landing mats 'Basic' with a reinforced and washable Bisonyl cover and high-tech foam core, ensure optimal damping characteristics over the entire surface of the mats. The combination with patented Handy Grips makes them very easy to handle. The mats can be linked in all directions thanks to Velcro loop on top of the mat at all 4 sides.

The microtunnels in the foam in combination with the Handy Grips make it possible to have an optimum air outlet regulation. The mat is fully side-stabilized which fully meets the FIG landing mat regulations.

Technical data:

FIG certified.

- The sandwich microtunnel foam construction, together with a 4 cm stabilization layer on top and at the edges, ensures optimal landing conditions
- Surface of washable Bisonyl with leather embossing (leather look finishing)
- Flame retardant Bisonyl (M2)
- The handy-grips provide necessary air circulation thus ensuring optimal damping during landings.
- Sewed-on Velcro strips at all sides: mats can be linked in all directions.

Total length when placed: 1800 cm
Maximum width when placed: 400 cm
Total surface: 49 m²
Height: 20 cm
Reference number: 1565847

Packaging dimensions:

Total volume: 4.78
Total weight: 351 kg
Consisting of:
3 mats of 300x200x20 cm
1 mat of 200x200x20 cm
1 mat of 200x100x20 cm
4 mats of 135x100x20 cm
4 mats of 250x200x20, notched
15 cm wide Velcro: 2x 200 cm, 3x 400 cm, 1x 100 cm,
2x 219 cm, 4x 128 cm long

Mandatory for competition
