

Landing mats 'Basic' parallel bars

1565857

The landing mats 'Basic' with a reinforced and washable Bisonyl cover and high-tech foam core, ensure optimal damping characteristics over the entire surface of the mats. The combination with patented Handy Grips makes them very easy to handle. The mats can be linked in all directions thanks to Velcro loop on top of the mat at all 4 sides.

The microtunnels in the foam in combination with the Handy Grips make it possible to have an optimum air outlet regulation. The mat is fully side-stabilized which fully meets the FIG landing mat regulations.

Technical data:

FIG certified.

- The sandwich microtunnel foam construction, together with a 4 cm stabilization layer on top and at the edges, ensures optimal landing conditions
- Surface of washable Bisonyl with leather embossing (leather look finishing)
- Flame retardant Bisonyl (M2)
- The handy-grips provide necessary air circulation thus ensuring optimal damping during landings.
- Sewed-on Velcro strips at all sides: mats can be linked in all directions.

Total length when placed: 1100 cm
 Maximum width when placed: 470 cm
 Total surface: 33.5 m²
 Height: 20 cm
 Reference number: 1565857

Packaging dimensions:

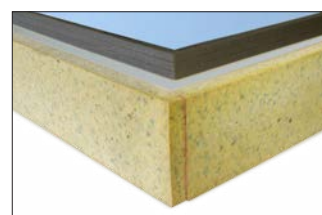

Total volume: 3.53
 Total weight: 237 kg
 Consisting of:
 2x mats of 300x200x20 cm
 1x mat of 200x100x20 cm
 4x mats of 135x100x20 cm
 2x mats of 300x200x20 cm, notched
 1x mat of 300x70x20 cm, notched
 15 cm wide Velcro: 4x 22 cm, 4x 93 cm, 1x 100 cm,
 2x 219 cm, 2x 470 cm
